Purpose Of Corporation / Déclaration d'intention de l'organisation

The purpose of Speedcubing Canada is to promote and support the speedcubing community in Canada. Speedcubing is the act of solving twisty puzzles, such as the Rubik's Cube, as quickly as possible.

Globally, official speedcubing competitions are governed by the World Cube Association (WCA). Since the WCA was founded in 2004, over 100,000 individuals from more than 140 countries have competed in official WCA competitions, including over 4,700 Canadians. Since 2007, 178 official WCA competitions have been held in Canada in seven provinces.

The main objectives and activities of Speedcubing Canada are:

1. Organize and run official WCA competitions across Canada, including the inaugural WCA North American Championship in Toronto, Ontario in July 2022. Speedcubing Canada will align with the WCA's mission to "have more competitions in more countries with more people and more fun, under fair and equal conditions" by running more competitions in Canada that are fun, fair and equitable.
2. Promote speedcubing in Canada by raising awareness for the sport and the speedcubing community and working to run competitions in more provinces and territories.

The speedcubing community in Canada is a positive and friendly environment for people of all ages, including youth, students, adults and families. All WCA activities globally are run entirely by volunteers. The speedcubing community provides opportunities for competitors (known as "speedcubers") and other members to engage in a positive, competitive community, build interpersonal and leadership skills, and achieve personal success by setting official personal, national, continental and world records.

In sum, Speedcubing Canada exists to provide positive spaces for speedcubers and other community members to engage in competition and community around their shared interest in the sport of speedcubing.
